# ABOUT US!

## Who Are We?

English for New Bostonians (ENB) creates opportunities for immigrants to learn English and pursue their educational and civic aspirations. Founded in 2001, ENB supports high-quality English language learning programs that provide free or very low-cost instruction to approximately 1,500 immigrants each year. ENB also partners with companies to help them design and provide English classes for their immigrant workforce and convenes the statewide English Works Business Council.

## Why Sponsor?

The Language of Food Spring Fundraiser is a celebration of our culinary traditions that connect us all: **One Table, Endless Connections**. This gathering will unite supporters, business leaders, policymakers and advocates for ESOL and immigrants, fostering an atmosphere of collaboration and cultural exchange.

Come and partake in delicious dishes, engage in meaningful conversations, and strengthen the bonds that make our commonwealth vibrant and inclusive.

In 2024, the event highlighted ENB's impact assisting newly arrived immigrants to learn English as they gain their footing and more fully participate in the Commonwealth.

Your support for Language of Food 2025, needed now more than ever, will help highlight the importance of English classes in providing community information and a path forward for immigrant families. The event also will shine a light on promise and progress in promoting **Economic Mobility through ESOL** in Massachusetts.
