ABOUT US!

Who Are We?

English for New Bostonians (ENB) creates opportunities for immigrants to learn English and pursue their educational and civic aspirations. Founded in 2001, ENB supports high-quality English language learning programs across Boston neighborhoods that provide English Classes to approximately 1,500 immigrants each year. ENB also partners with companies to help them design and provide English training for their immigrant workforce, and facilitates the statewide English Works Business Council. We drive innovation in the field – ESOL Pathways, English for Immigrant Entrepreneurs, ESOL for Parents & Caregivers, online/hybrid models – and train instructors in classroom technology and online instruction.

The critical work of ENB enables immigrants across race, education, and migratory backgrounds to pursue their aspirations and contribute to a Commonwealth that fully values their talents and voices.

ENB engages partners across business, philanthropy, government, and community sectors, elevating student voices, inspiring allies, and shaping policies to fuel our high caliber ESOL programs. ENB is an ally to English language learners and immigrant communities, a resource to service providers, and a partner to employers, municipalities, and government agencies. ENB's solutions embrace social and economic justice as the realistic pathway to economic mobility and the thriving of our great city.

Why Sponsor?

ENB's annual Language of Food Fundraiser is a celebration of the diverse culinary traditions that connect us all: One Table, Endless Connections. This gathering will unite business leaders, policymakers and advocates for ESOL and immigrants, fostering an atmosphere of collaboration and cultural exchange. Come and partake in delicious dishes, engage in meaningful conversations, and strengthen the bonds that make our Commonwealth vibrant and inclusive. Your support for Language of Food 2026, needed now more than ever, will help highlight the importance of resources such as English classes in providing a path forward for immigrant families and strengthening our communities. The event will also shine a light on the promise and progress in promoting Economic Mobility through ESOL in Massachusetts. Please join us!
