

Giovanny Velasco

Finance & Operations Manager

Giovanny is a Master's in Public Administration graduate from the University of Connecticut. He is a results-oriented professional with experience in diverse areas of politics, non-profits, and administration. At ENB, Gio manages accounting and contracts, and tracking of grants and donations. He also assists with annual audit preparation. Gio's expertise in developing management systems is a true asset to ENB. Gio also leads the ENB Tech Committee, oversees operations, and serves as first responder for technical challenges.

Gio has found studying Romance languages fairly easy as a native Spanish speaker; he envisions that if he could learn another language, it would be Mandarin, as a gateway to learning about a new culture and tradition, and to be able to communicate with Chinese people in the world of work.

Before joining the English for New Bostonians team, Giovanny served as Development & Communications Associate for a non-profit in Southern New Jersey, where he was responsible for developing grant applications and promoting the organization and its programs.
