Maggie Sestak
Commonwealth Corps Fellow, Allies for Immigrants ESOL Corps Program

Coordinator Maggie works with Allies for Immigrants ESOL Corps staff across ENB and our partner, Boston Cares, to recruit, train and support 100+ volunteer tutors who serve in ESOL programs across Boston. Maggie communicates with tutors citywide to support their engagement and address any questions. She engages in community meetings to meet community leaders, and to develop relationships with ENB’s Allies for Immigrants sites, including site visits and neighborhood roundtables organized to field questions from volunteers and to build a peer community. Maggie also helps lead new volunteer orientations and organizes ENB’s annual ESOL Skills Fair that helps students learn about and connect with career training opportunities.
